

Growth Opportunities for International Companies in 2010

U.S. Stimulus Act: Public and Private Sector Projects

Strategic Acquisitions and Joint Ventures

Government Contracts: How to Play the Game

This workshop will present practical business and legal strategies for expansion of your foreign-owned company in the Hampton Roads area.

We will focus on smart use of acquisitions and joint ventures and how to capitalize on Stimulus Act opportunities in green tech, renewable energy, IT, broadband, and other industries.

Wednesday, February 24, 2010

7:30 to 8:00 a.m. - breakfast

8:00 to 10:00 a.m. - program*

* Post-Program Private Consultations Available with Registration

Williams Mullen

1700 Dominion Tower, 999 Waterside Drive
Norfolk, VA 23510

Topics include:

- The “key” sectors being funded under the \$787 billion Stimulus Act and other public-private partnerships
- Investment tax credits, guaranteed loans and other incentives for private sector projects
- M&A and joint ventures: recent developments
- The “Level Playing Field” for international companies who know the rules when competing for government money
- Feasibility audits and how to identify qualifying opportunities and U.S. teaming partners for government contracts
- Financing and commercial banking services for business growth
- Tax and immigration investment strategies
