

Denial of Attorney Fees Affirmed in Juniper v. Graphon

10.18.2010

On October 14, the Federal Circuit affirmed without opinion the EDVA's refusal to award attorney fees in Juniper v. Graphon. In the district court, Graphon filed its motion for fees one day past the fourteen-day deadline set forth in Rule 54(d)(2)(B)(i), and the EDVA denied the motion as late. See our previous posts about the case [here](#).
