

International

Global. Business. Solutions. Globalization challenges businesses at home and abroad. Williams Mullen's International Team provides strategic solutions for businesses operating internationally.

Our International Team provides comprehensive and creative legal solutions to address commercial, trade, investment and regulatory matters. We regularly assist clients in: moving goods, people, services and information across borders; participating in administrative or judicial proceedings under U.S. and foreign trade laws; and navigating the intricacies of assorted trade and customs compliance and enforcement issues. We cater to the distinct interests of clients in diverse manufacturing and service industries.

Our services include

- [Customs Law](#)
- [ITAR, Export Controls & OFAC Sanctions](#)
- [Global Business Transactions](#)
- [Immigration & Naturalization](#)
- [International Crisis Management](#)
- [International Litigation](#)
- [International Tax](#)
- [International Trade & Policy](#)
