

Product Liability / Mass Tort Litigation

The Williams Mullen Product Liability/Mass Tort practice group offers the rare combination of National Coordinating Counsel (NCC) experience and savvy trial skills. Our clients span a wide range of industries, including manufacturers and distributors from the following industries:

- Asbestos.
- Medical device.
- Pharmaceutical.
- Lawn care, construction and safety equipment.
- Watercraft.
- Firearms.
- Foam-related product.
- Petroleum.
- Insurance.

Handling Product Liability Cases from California to Maine, and Everywhere in Between

The Product Liability/Mass Tort Group handles cases around the country as both NCC and trial counsel. We have been counsel of record from San Diego to Maine and 44 jurisdictions in between. We work closely with a network of local counsel that are skilled in tort defense and experienced in local practice. We have also developed an excellent working relationship with plaintiffs' attorneys in this arena, which has helped us bring the best overall results to our clients in the appropriate cases.

An Experienced Team of Product Liability Law Practitioners

Our attorneys are frequent speakers on products liability and mass tort litigation and have presented to national and international conferences. However, our experience is the best indicator of our abilities and we have received national recognition for our trial work.

Experience

Served as National Coordinating Counsel for:

- The nation's largest medical product distributor in nearly 200 cases (MDL 1148)
- A safety equipment distributor facing over 20,000 silica claims (MDL 1553)
- An oil refiner facing 37 MTBE contamination claims (MDL 1358)

Toxic Tort

- Tried mold claim to defense verdict in Northern Virginia. This was the first of multiple claims. All remaining claims non-suited after the defense verdict
- Tried friction product asbestos case to defense verdict in Tidewater Virginia. This was the first of many cases. After the defense verdict, many other cases were non-suited.
- Represent multiple industrial and commercial equipment manufacturers and distributors in regional asbestos and silica litigation
- Represented multiple apartment complexes in defense of mold claims brought by tenants
- Represented municipality in defense of claims brought by 213 plaintiffs under Virginia Multiple Claimants Litigation Act for injuries allegedly caused by exposure to chemical produced as by-product of chlorination of drinking water
- Represent real estate company in multiple childhood lead paint exposure cases
- Represent hotel corporation in occupational lead paint exposure case
