Williams Mullen is proud to be a sponsor of the 2011 East Coast Game Conference, April 13 and 14 at the Raleigh Convention Center, Raleigh, NC. Registration and additional information can be found at <http://www.ecgconf.com/>

Interactive software and gaming technology is transforming business and social interactions, bridging the gap between reality and virtual worlds and leading advances in tools that affect the games we play, the way we learn, and how we enhance and protect our military, strategic and natural resources. Williams Mullen has an experienced and multidisciplinary team of attorneys that helps businesses at all stages of development to address the legal, business and technological issues associated with these innovations in video gaming and entertainment, modeling and simulation and immersive learning.
