

The Immigration Crisis Continues: Is Your Hospital Ready for 2009 and Beyond?

09.11.2008

Presented by:

Virginia Hospital Research & Education Foundation

Overview:

This timely Webinar highlights the key immigration issues facing the hospital COO, CFO and human resources manager, as he/she copes with staffing shortages, an increasingly diverse workforce, government audits and undocumented immigrants in the Emergency Room.

Participants will learn what your hospital REALLY needs to know about immigration - the facts behind the headlines and the hype.
