

## DOL Issues Model COBRA Notices

**04.01.2009**

04. 2009

Plan administrators must notify participants and beneficiaries about the new COBRA premium subsidy under the stimulus package. The Department of Labor (DOL) recently issued four model COBRA notices to help plan administrators comply with these requirements. Each notice is designed for a particular group of qualified beneficiaries. We have provided links to the notices and explanations below.
