

Review - Legal Checklist for International Defense Transactions

05.01.2013

BY: THOMAS B. MCVEY

Government contracts firms are increasingly looking to foreign markets to make up for declining U.S. defense budgets. But selling to foreign military organizations presents unique legal issues. Attached is our Legal Checklist For International Defense Transactions which provides an outline of legal and business issues for planning overseas defense transactions. If you have any questions or wish to discuss these issues further please feel free to contact us.
