

Virginia Private K-12 and Higher Education Quarterly Webcast Series

01.23.2015

Marsh, Mercer, and Ernst & Young invite you to join our team of industry experts for a complimentary cyber-risk webcast on January 23, 2015. Patrick Hynes, leader of Ernst & Young's Advanced Security Center, will lead an interactive discussion on how to respond to cybersecurity incidents.

About the Webcast

This is the first in a series of webcasts Marsh will offer in conjunction with Mercer, Ernst & Young, and Williams Mullen over the next several months. Each will provide a unique perspective on topics that are of particular interest to the education sector, including financial and legal risk and employee benefits. You will be able to ask questions during the webcast. A replay of the webcast will be available.

About Patrick Hynes

Patrick Hynes is an executive director in the Advisory Services Practice of Ernst & Young. As leader of Ernst & Young's Advanced Security Center (ASC) services for the west region of the US Patrick leads the delivery of ASC services. The ASC team helps clients prepare for, mitigate, and respond to cyber-attacks.
