In partnership with Bank of America Merrill Lynch and Scott Insurance

Thursday, November 12, 2015

8:30 - 9:00 AM Registration

9:00 - 11:30 AM Program

The Westin Richmond
6631 West Broad Street
Richmond, VA 23230

Presenters:

McGuire Boyd, Partner, Williams Mullen

Kevin Pomfret, Partner at Williams Mullen

Jean Jones, Vice President, Treasury Solutions Officer, Bank of America Merrill Lynch

Keith Middleton, CPA, Co-Founder, The Fahrenheit Group

From identity theft and fraud to corporate hacking attacks, cyber security has never been more important for businesses and organizations.

Join us on Thursday, November 12, for an informative seminar featuring industry experts in cyber security who will address how to protect your company from possible attacks and what steps you should follow if you become a victim.

Fee: There is no fee to attend this educational event.

Continuing Education Credit: 1.0 CPE Credit
