

Williams Mullen Advises Markel For Majority Investment In CapTech

12.14.2015

Press Release from Markel Corporation

RICHMOND, Va., Dec. 14, 2015 /PRNewswire/ -- Markel Ventures, Inc. ("Markel") and CapTech Ventures, Inc. ("CapTech") announce today a majority investment in CapTech by Markel. Headquartered in Richmond, Virginia, CapTech is a national management consulting firm that helps bridge the gap between business and technology. Terms of the transaction were not disclosed.

Sandy Williamson and Slaughter Fitz-Hugh, CapTech's Co-Founders, remarked, "At CapTech, our people are our business and they are passionate about what they do. Our culture provides the opportunity for them to express their ideas and utilize their talents to create unique solutions with our customers." Williamson and Fitz-Hugh further commented, "When looking for a partner, we knew that we needed to find one that could understand CapTech's culture going forward, and we are excited to have Markel as that partner."

Thomas S. Gayner, President of Markel Ventures, commented, "We are delighted to welcome the CapTech team to Markel. They provide their clients with mission critical business and IT services and solutions, and their long-term record demonstrates success in accomplishing this goal. CapTech's focus on creating a great environment for its employees and clients matches up with our values at Markel. We look forward to working together to create continued growth and success."

About CapTech

CapTech (www.captechconsulting.com) is a national management consulting firm that bridges the gap between business and technology. CapTech delivers transformation, customer engagement, data & analytics and custom IT solutions for private companies, public companies and government agencies. The company's collaborative approach helps organizations grow their business, engage with customers and turn information into powerful data assets.

About Markel Ventures

Markel Ventures, Inc. (www.markelventures.com) is a wholly-owned subsidiary of Markel Corporation (NYSE: MKL). Markel Ventures makes strategic and generally controlling investments in businesses that operate outside of the specialty insurance marketplace. The primary goal of Markel Ventures is to positively contribute to the long-term financial performance of Markel Corporation through the value creating operating activities of its subsidiaries.

About Markel Corporation
