

Managing a Sexually Diverse Workplace: Legal Compliance and Best Practices for Transgender and Other LGB Issues

04.18.2016

On April 18, Mike Lord and Edward Schenk presented a webinar titled "Managing a Sexually Diverse Workplace: Legal Compliance and Best Practices for Transgender and Other LGB Issues." This webinar helped raise awareness and educate attendees on a variety of issues including: updating corporate vocabulary; popular culture and media perceptions; state and federal laws governing transgender and LGB rights in the workplace; the Equal Employment Opportunity Commission's position; practical steps with updating corporate policies; and the role of human resources and management when navigating a gender transition.
