

Who's Got Your Back? Virginia's Indemnity Laws and Risk Shifting Clauses in Contracts

07.13.2017

On July 13, 2017, Alex Burnett will present a webinar on Virginia's Indemnity Laws and Risk Shifting Clauses in Construction Contracts. For more information, click [here](#).

Learning Objectives

- You will be able to describe Virginia's laws on indemnification.
- You will be able to identify troublesome risk shifting clauses and shift the risk back to neutral.
- You will be able to discuss why certain indemnification clauses are invalid or unenforceable.
- You will be able to explain the differences between common law indemnity, contractual indemnity and contribution.
