

Hot Topics That All EHS Professionals Should Know About in 2017 - North Carolina Environmental, Energy, Health & Safety School

08.08.2017

On Aug. 8, 2017, Ethan Ware, Jessie King, Kip McAlister and Ryan Trail will present at the 2017 North Carolina Environmental, Energy, Health & Safety School, which is presented by the North Carolina Manufacturers Alliance. The group's presentation is titled "Hot Topics That All EHS Professionals Should Know About in 2017" and will provide "an overview on the new senior management at EPA, executive orders and rules under review or acted on by the Trump Administration, emerging issues, as well as pending litigation on current and prior regulatory actions by EPA. Specific areas to be addressed will include air quality, water quality, and OSH."
