

Commercial Property Assessed Clean Energy (C-PACE) Financing in Virginia

09.27.2017

On Sept. 27, Bill Nusbaum will present as part of a webinar hosted by the Virginia Energy Efficiency Council on Commercial Property Assessed Clean Energy (C-PACE) Financing in Virginia.

This webinar will provide the following:

- A brief overview of C-PACE, including its legality and case studies
- Best practices when developing and implementing a program
- The program administrator's role
- Benefits to localities
