

Benefit and Contribution Limits for 2018

10.19.2017

The Commissioner of Internal Revenue announced the 2018 dollar limitations for benefits and contributions that apply to retirement plans. Some limits have increased while others remained the same. The Social Security Administration increased the Social Security taxable wage base. Increases for health savings accounts were announced this summer. The following chart shows the 2018 limits and the similar limits for 2017.
