

128th Annual Meeting of The Virginia Bar Association

01.19.2018

Topic:

Law Practice Management Division & Corporate Counsel Section: Technology Disruption in the Practice of Law

The presentation will discuss how technology is changing the practice of law including the duties to preserve and protection client data; the evolving expectations of clients; the impacts of client's IT risk management practices; and how to utilize third party technology vendors to overcome these challenges.

Panelists:

Lauren Waller, Willams Mullen

Monica McCarroll, Redgrave, LLP

Ryan Boggs, Dominion Energy

Thomas Arruda, Dominion Energy

John Collins, DTI/Epiq
