

Potential Economic Impacts Of The New Tax Law Known As "The Tax Cuts and Jobs Act"

01.24.2018

On Jan. 24, 2018, Conrad Garcia will deliver a presentation on the potential economic impacts of the new tax law at the Better Housing Coalition's Community ROI Circle (Resources Organized for Impact)'s Annual Breakfast. Among other items, the presentation will discuss whether an individual's tax rate will go up or down; property taxes; mortgage deductions; and the pass-through provision. For more information on the Better Housing Coalition, visit their website [here](#).
