

## Hot Topics in eDiscovery

**02.22.2018**

On Feb. 22, 2018, Lauren Waller will deliver a presentation titled "Hot Topics in eDiscovery" as part of an eDiscovery speaker series hosted by Driven. The presentation will cover a number of "key eDiscovery developments that clients and counsel should understand. These developments include a new discovery pilot program with accelerated ESI production timelines; technological advances influencing the discovery of relevant communications; and a new round of cyber-attacks and data breaches. Come listen to a panel of experts as they discuss these developments and spotlight best practices for addressing the issues."
