

Commercial Real Estate Market Trends: An Update from the Trenches

04.26.2018

On April 26, 2018, Uel Whitsett will facilitate a panel discussion on commercial real estate market trends at an event hosted by the Risk Management Association's Eastern North Carolina chapter. The panel will address what is happening in the commercial real estate environment from the perspective of the real estate manager, the appraiser, and the risk assessor.
