

Williams Mullen Helps Erickson Living Acquire Land for Assisted Living Complex

05.01.2018

On May 1, 2018, Erickson Living, a Maryland-based developer and owner of retirement communities, announced plans for a 1,450-unit assisted living complex at the West Creek Business Park in Goochland, Va. The planned development, which will include living and parking spaces, restaurants, retail shops, a fitness center, a library and more, will add to Erickson's portfolio of 20 senior-living communities in 11 states.

Williams Mullen's Preston Lloyd is representing Erickson in connection with the land use approvals for the project. To read an article on the development from Richmond BizSense, click below.
