

## **PODCAST: Challenging Negative CPARS Reports - Protecting Contractor Reputation Through CPARS Challenges**

**09.05.2019**

On this episode of Williams Mullen GovCon Perspectives, Tony Anikeeff discusses CPARS reports and explains why they are a fundamental element of a contracting officer's evaluation of past performance in considering proposals for new work. He also details why contractors must be diligent in preserving their reputation by ensuring CPARS are accurate. Listen to the episode below.
