

Jessie King Quoted in Boston Globe on Emerging Contaminants in Landfill Leachate

11.11.2019

On Nov. 5, 2019, the *Boston Globe* published a story about the discharge of wastewater containing emerging contaminants into the Merrimack River in New Hampshire. Williams Mullen attorney **Jessie King** was quoted in the story for her research on the issue in preparation for a presentation she gave this year at a Palmetto SC Chapter of the Solid Waste Association of North America's annual conference.

[*Boston Globe*: Toxic chemicals can be dumped into Merrimack River, federal and state officials say](#)
