

Leasing Up Summer 2020: What We've Learned and How to Move Forward

06.30.2020

The 2020 Business Solutions Series.

Presented by the Hampton Roads Alliance and Williams Mullen.

Join us for a webinar on leasing considerations for developers, landlords, and business owners.

Speakers: Alyssa Carducci Embree, Ryan Kenrick, and Tyler Rosá.

Topics include:

- What the market looks like right now.
- What can landlords do right now to make prospective tenants comfortable with signing long-term leases in the current environment, and what should tenants be thinking about before they sign?
- How to terminate a lease that no longer works for the parties.
- You've entered into a modified payment plan. Now what?
- What happens if the second wave occurs?
