

Been There, Done That: How Startups Can Succeed with Experienced Legal Advisors

10.05.2020

Williams Mullen is partnering with Startup Virginia, a nonprofit organization that helps entrepreneurs of high-growth startups reach their full potential, for a program that showcases the value gained by engaging experienced legal counsel.

Join us for a conversation between Emerging Companies partner, **Gary LeClair**, and his longtime client **John Failla**, entrepreneur and founder of Trilogy Mentors, an online platform enabling educators to tutor students remotely. Attendees will have the opportunity to hear John's story, that of Trilogy Mentors and John's feedback on the pivotal role counsel can play in helping a startup succeed.
