

Virginia Clean Energy Summit 2020

10.20.2020

The Second Annual Virginia Clean Energy Summit will present the clean energy technologies, policies, and business practices that are transforming Virginia's energy landscape today.

The goal of the Summit is to highlight opportunities and encourage collaboration that speeds our use of more energy efficiency, solar, wind, storage, EVs, and other clean energy solutions. Conference attendees will include representatives from businesses, state and local governments, academia, and NGOs.
