

Williams Mullen Represents Riverflow Growth Fund in First Investment

04.28.2021

A Williams Mullen team led by John Paris and Anne Domozick represented Riverflow Growth Fund, a Richmond-based seed-stage venture capital fund, in its inaugural investment to DrugViu, an AI-driven population health platform. Supporting John and Anne on this transaction included Meagan Kalantar and Fallon Dungan. For more on this transaction, [click here](#).
