

Limiting The Ever-Present "Bet the Company" Risk

11.16.2021

Tad vanDusen, Rob Van Arnam, Mike Lord and Miles Bruder presented to Entrepreneurs? Organization Raleigh Durham.

The session focused on mitigating the significant risks which businesses face daily:

- Data protection and compliance-liability exposure and costs of mitigation
- Employment issues, including keeping asset protection agreements current
- Commercial Contracts, including the risks lurking in standard indemnities and damages limitation provisions
